GUPPIES HISTORY

Over 30 years ago, Aaron found that the food industry was his future and started to learn it inside and out. With his Hot Rod fetish, beginning with a 1964 GMC fleetside, an idea was forming.

Our longtime dream became a reality when we opened in Old Town Twin Falls in December 2014. The "Hot Rod Grille" was decorated with treasures Aaron had been collecting for years. But on September 9, 2018, our beautiful restaurant was destroyed by fire.

Welcome to the commitment to the diners of the past and recognition of Hot Rodders everywhere. Bringing Hot Rod culture and unique gourmet comfort mix together and building friendships along the way.
